# An Office Product to Meet Every Need

There's a job waiting to be done. A routine print job. A single page to be copied. A critical hundred-page report to be printed in full color, then translated, converted, redacted, scanned, or emailed to users around the world. Whatever your task, Xerox has the right office printer or multifunction printer to help you do the best job, with more speed, reliability, and value than you ever thought possible.

## Xerox® Workplace Solutions

Our comprehensive print management solution seamlessly connects your team's technology while providing security, access control, and usage tracking organizations need.

### **AUTHENTICATION AND ACCESS CONTROL**

Add secure access to your printers so that authorized users can conveniently log in using our flexible authentication methods to access services and release print jobs.

With Single Sign-On (SSO), users only need to log in at the printer once with a card badge or mobile device to securely access our SSO-enabled apps, eliminating time-consuming login steps.

### **MOBILE PRINTING MADE EASY; ANYWHERE, ANY DEVICE**

Print seamlessly from any device and submit your jobs using a PC, mobile device, or Chromebook, and access them from any location.

### **REPORTING, ANALYTICS, AND PRINT RULES**

Our reporting and analytics tools provide better visibility and help uncover cost-saving opportunities.

Workplace Cloud Print Tracker offers insights into print jobs completed at home or in the office, giving you a comprehensive view of usage.

Set pre-defined print and scan costs and track usage to generate detailed cost reports for chargeback purposes.

Once you have identified print inefficiencies, apply our user-specific print rules to help reduce costs.

Additionally, implement content security measures to monitor content usage and ensure sensitive data is handled responsibly.

### **ONE SOLUTION, TWO HOSTING OPTIONS**

Xerox® Workplace Solutions offers two hosting options: a server-based, on-premises option or a cloud-based option to suit your company's IT needs.

To learn more, visit: [www.xerox.com/WorkplaceSolutions](http://www.xerox.com/WorkplaceSolutions).

## Xerox® Workflow Central Platform
