

## Printer description file for QuarkXPress

The *TKPH5401.PDF* file is a PostScript Printer Description file used with QuarkXPress 3.3 and Windows 3.1. To install the file, copy *TKPH5401.PDF* from the Tektronix Windows 3.1 Driver and Printer Utilities diskette into the *PDF* subdirectory of the QuarkXPress 3.3 application. For example:

```
COPY TKPH5401.PDF C:\XPRESS33\PDF
```
